## Halo Code:

Conisborough College champions the right of staff and students to embrace all Afro-hairstyles. We acknowledge that Afro-textured hair is an important part of our Black staff and students' racial, ethnic, cultural, and religious identities, and requires specific styling for hair health and maintenance.

We welcome Afro-textured hair worn in all styles including, but not limited to, afros, locs, twists, braids, cornrows, fades, hair straightened through the application of heat or chemicals, weaves, wigs, headscarves, and wraps.

At Conisborough College, we recognise and celebrate our staff and students' identities.

We are a community built on an ethos of equality and respect where hair texture and style have no bearing on anyone's ability to succeed.
