28 May 2021

Dear Parent/Carers,

Timetable changes June 7th, 2021

As Year 11 have now left the school, we have made some changes to the school timetable to ensure the best experience for all, starting from June 7th.

Year 9 students will be moved from their current accommodation in the Science laboratories to the classrooms located in the English department.

Year 10 students will now be able to enjoy being taught Science in science laboratories.

Year 7 students will be using our MUGA during break and lunch time. They will also start their break and lunch times at normal times (10:40am and 12:40pm respectively.)

During their first day back in school, they will be issued with a paper copy of their individual timetables.

Please kindly ensure that they also bring with them their school planners on their return to school following the May half term holiday. The re-issued timetable must be kept in there at all times as well as being used to record their subject homework throughout the days and weeks ahead.

Please also ensure that all students have their lanyard and security/cashless catering card in their plastic wallet attached to the lanyard. Please do contact the school if your child cannot find their lanyard or cashless catering card. These must be worn at all times by all students and are an essential part of our safe on-site routines as well as being part of the school uniform.

Thank you for your continued support.

Yours faithfully,

Dr S Aylward
Assistant Headteacher
