School Governor Vacancy

Conisborough College is a mixed comprehensive school located in Bellingham, South London. The College offers a broad and balanced curriculum.

As a school requiring improvement, we are in pursuit of excellence based on a strong home/school partnership.

In January 2021, the College underwent an Ofsted section 8 Monitoring Inspection. The Inspectors acknowledged the impact of Covid 19 and judged that “Leaders and those responsible for governance are taking effective action to provide education in the current circumstances.....Governors understand the schools priorities and what needs to be done.”

The Governing Body plays an important role in ensuring that continued progress is made to move the school to a “Good” grading.

We are looking for individuals who would be able to demonstrate a commitment for ensuring that every child at Conisborough College meets or exceeds their full potential. We are particularly looking for individuals with the following skills and experience to enhance and strengthen our Governing Body.

- Community Development, especially supporting disadvantaged young people
- Fundraising and Bid Writing
- Health and Safety in the Workplace
- Safeguarding and GDPR
- IT and Logistics
- Legal and Personnel
- Finance and Budget Planning
- Interest in Special Educational Needs or young people with English as an additional language

If you possess any of the above skills, committed to seeing young people succeed academically and socially and can commit to six hours per month, we would like to hear from you.
