A Colfe's Associate School

7th January 2022

Dear Parents/Carers,

New members of staff to the school

I am writing to let you know that we will have some changes to staffing at school this year. This is an exciting time for us, and I always like to look at change as positive opportunity.

We are delighted to announce that we have appointed the following members of staff and welcome the following new colleagues to the school:

- **Dr M Harpham** has joined our Senior Leadership Team as a Deputy Headteacher. He is an experienced senior leader and will be leading on Behaviour and Attitudes and SEND. We will be introducing Dr Harpham to the students in the assemblies next week.
- **Ms R Salam** will also be joining our Senior Leadership Team as Assistant Headteacher. She will continue to be the Head of Science.
- **Miss A Tutak** has also joined the school this term as our new Drama teacher. She is an experienced teacher and we are very pleased to welcome her to the performing arts departments in the school.
- **Mr A Waters** is now the Head of Humanities. This Department includes History, Geography, R.E., Sociology and PSHE. He replaces Mrs Stevenson who left us at Christmas.

We are very pleased to be able to welcome new colleagues to the school and for all our students to benefit from their skills and professional practice.

We are looking forward to a successful 2022 and embedding good habits and practice across the school. We are looking forward to seeing the skills, talents and opportunities continue to grow for all our young people.

Thank you for the support you and your children have given to our return to the school after Christmas and the Covid testing we have been carrying out over the first few days. We are back and looking forward to a positive term ahead.

Yours faithfully,

Mrs J. Hadlow
Headteacher
