Mr J Cavadino / Miss K Mahar

A Colfe's Associate School

Dear Parents and Carers,

11th January 2024

Year 11 Achievement Strategy

We are delighted to welcome your children back to school after the Christmas holiday. We are working to provide them with every opportunity we can to maximise their chances of exam success and this letter is to inform you of the after-school intervention programme.

Students are working towards their February mocks and now have five weeks until they begin. To give your child the best possible chance of success in these mocks, the school has arranged a detailed intervention programme. Attendance is mandatory to ensure the best possible mock and GCSE results.

Below you will find details of after school interventions which take place each week and run from **3.10pm until 4pm**. Consistent engagement in lessons and regular attendance to interventions has led to exam success for students. Failure to attend decreases your child's chance of exam success. Students will be informed if they are required to attend interventions.

I will be holding an online information evening on Tuesday 23rd January from 6.00-6.45pm. The information will be around revision strategies and how to find course information for each GCSE subject to support your child's exam preparation. Please keep an eye out for a text message with the online invitation. If you do not receive the information, or if you have any questions or concerns about any aspect of your child's wellbeing or learning please contact:

- Mr S Lewis, Head of Year 11 - slewis@conisboroughcollege.co.uk
- Ms A Efford, Intervention Coordinator for Year 11 - aefford@conisboroughcollege.co.uk
- Mrs R Salam, Assistant Headteacher - rsalam@conisboroughcollege.co.uk

We look forward to working with your child to ensure they have the best chance of exam success and a place at their chosen sixth form or college.

Yours faithfully,

R Salam

Mrs R Salam
Assistant Headteacher
